Notification

Subject: SOP for Reinstatement of Cancelled Academic Registration of Research Scholars – Reg.

To ensure uniformity, transparency, and due process in handling requests for reinstatement of cancelled academic registration of research scholars, the following **SOP** is hereby notified for processing such cases.

Rule (PhD Rules and Regulation, R.9 Cancellation of Registration):

The registration of a research scholar may be cancelled due to non-registration in a semester, failure to meet the minimum required academic performance, submission of false information/documents, or involvement in major misconduct.

Procedure:

- Submission of Request:** A research scholar seeking reinstatement of cancelled academic registration shall submit a formal request within 15 days to the SRC through the Supervisor(s), with the justification for reinstatement, along with relevant supporting documents.
- Supervisor's Recommendation and Completion Plan:** The Supervisor(s) and SRC shall examine the request and, within 10 days of receipt, forward their recommendation to the DRC/CRC/ScRC. Where reinstatement is recommended, the Supervisor(s) and SRC shall provide a reasoned recommendation certifying the academic viability of reinstatement. This shall include a realistic and time-bound completion plan outlining pending coursework and/or candidacy requirements (if any), the plan for their completion, defined research milestones, and the proposed timeline for submission of the thesis.
- Examination by DRC/CRC/ScRC and Head concerned:** The reinstatement request shall be examined in a full meeting of the concerned DRC/CRC/ScRC on the merit and justification of the proposed reinstatement and completion plan within 25 days of receipt and submit their recommendations to the concerned Head of the Department/Centre/School. The Head of the Department/Centre/School may forward the recommendations of the DRC/CRC/ScRC along with their remarks to the Academic Affairs Office for further processing.

This SOP shall come into immediate effect and shall apply to all ongoing and future cases relating to the reinstatement of cancelled academic registration of research scholars. All such requests shall be submitted with complete and requisite documentation and shall be processed strictly in accordance with the above procedure.
